

FALCON FOOTBALL

Torrey Pines High School

UPCOMING EVENTS IN FALCON LAND

- Incoming Freshman Parent night: For anyone new to the Falcon Football Family. This is a great chance to meet some of the freshman coaches and have your questions answered: Monday June, 6 at 6:00 in the varsity football team room (it is near the patch and the football office)
- Summer Weights: We have an incredible summer weight program for all of our levels. The freshman will be lifting from 12-1:30 Monday through Thursday. The J.V. and Varsity will be lifting on Monday and Wednesday from 9-11 and from 1:30-3:30 on Tuesday and Thursday.
- Passing League and Passing Tournaments: Summer Passing League: We have weekday games for the Varsity and the Junior Varsity. The Varsity also participates in three tournaments. They are 7 vs. 7 non-tackle contests. There are no linemen, and it is a great chance for the defense to work on pass defense and for the offense to work on its passing game.
- Spring football: **Is underway.** We will have a total of 15 practices that will run from 3-5. These practices are without pads, and they culminate in a flag football spring game. It is a great time for the younger players to learn the offense and defense, and for the older players to work on skills that need to be improved.
 - **Cardinal/Gold Spring Game:** This is on Friday June 10th. The J.V. will be starting at 4:00 and the Varsity will be starting at 6:00. We will also be having a Parent meeting and barbecue between the J.V. and Varsity Games.
- Dead Period: This is a time where a high school coach can have zero contact with a high school athlete. Our dead period is the last week of July and the first week of August (July 24-August 7).

A varsity Leadership meeting will be held. A packet for them to refer back to will be distributed. We will also speak about our football program's core beliefs.

GET IT DONE

- **POSSESS INTEGRITY**
- **FAMILY**
- **STEP UP**
- **HARD WORK**
- **ATTITUDE**
- **POSITIVE IMPACT**

It is my pleasure to introduce a few new J.V./Varsity coaches to the Falcon Football Family:

Hunter Wanket: Hunter will be our Q.B. coach this year. Hunter is a former Falcon Q.B. who recently finished his playing career as a scholarship QB at Central Connecticut State University. He was a graduate assistant coach there last season.

Mitchell Mason: Mitchell will assist Ryland Wickman with the LB's this year. Mitchell is a PE teacher at Solana Pacific Elementary. He previously coached for two seasons at San Marcos High School in Santa Barbara.

Al Tomlinson: Al returns to the Falcon coaching staff after a three year hiatus. In Al's 10 years with the Falcon's he has coached the Whip linebacker, the linebackers, and the defensive backs. Before joining TPHS in 1998, Al coached at Middle Tennessee State, was the defensive coordinator for four years at Santana High School, and for three years at Southwester Junior college.

Mike Scott: Mike will be assisting Ron Gladnick with the defensive line this year. Mike is a former Falcon defensive end and fullback, who continued his playing days in the Ivy leagues at Brown University.

- 🏈 Start of Practices: Our first day of Football practice is on Wednesday, August 10th. Please see calendar on website for more information.
- 🏈 We are an Under Armour undeniable school. As a result of this, we have a great deal on apparel and cleats. We can buy items at 40% off. J.V. and Varsity have already placed cleat orders. We will put together one final order in late June or early July. In addition, we will have a flier of available “extras” that can be purchased at that same discount. Torrey Pines is not making any money on this. This is a deal for the student/athletes.
- 🏈 Great ways to help support Falcon Football:
 - Falcon Classic Dinner/Auction/Golf Tournament Fundraiser**
It is on June 20 at Fairbanks Ranch Country Club. Please see the website for more information.
 - Game program:** It is a great way to advertise your business or your neighbor’s business, or your neighbor’s friend’s uncle’s business: Please see your liason for more information.

We are working hard and are enjoying spring football. Hope this helps the dinner time conversation 😊

Scott Ashby
Head Football Coach
