- We need: TV's, Houseware items, furniture, children's toys, games & books, Linens, jewelry, pet items, books, clothing, bicycles, sport equipment and more.
- **Keep all clothes on hangers, if possible.** That will save TIME and effort during setup.
- Gather about 10 or so items (on hangers) and slip a trash bag over the top of the hangers (as the dry cleaners do). This makes the clothes easy to transport, hang, and organize at the sale.

Please call if you can loan us any of these items.
