

TORREY PINES HIGH SCHOOL  
FALCON FOOTBALL

Presents its  
17<sup>th</sup> Annual Non-Contact

Jr. FALCON  
FOOTBALL CAMP

JUNE 21 – 24, 2010 @ TORREY PINES HIGH SCHOOL  
8 AM to Noon

**CAMP PHILOSOPHY:** The camp philosophy is simple – youth football players learn more when they are having **FUN**, being taught by coaches who *know how to teach youth* and understand how it feels to play football.

**CAMP STAFF:** The staff is comprised of current coaches, current players and former players of TPHS Falcon Football. In an effort to give back to the community, they will teach your child the skills and tactics it takes to learn, enjoy and succeed at football. The Falcon coaching staff is considered one of the premier staffs in all of California and is noted for their ability to teach the fundamentals of football.

**How are the participants grouped?** Players are grouped by age, size, and experience to ensure that each athlete will not feel any sense of concern about his ability to participate. By offering youth football players pointed instruction **specific** to an athletes age, experience and abilities, Jr. Falcon Football Camp fills a void left by camps refusing to enroll younger players with high school aged athletes. All instruction, drills and scrimmages are closely monitored. It is our intention to blend fundamental football instruction into a curriculum emphasizing *maximum fun and playing time.*
